

H2020-HCO-2014- Single stage

DG CONNECT
**Directorate Sustainable and
Secure Societies**

H2020-HCO-1-2014- Single stage

**5 eligible proposals
evaluated by 5 experts**

HCO-1

Outcome of evaluation:

- **Indicative budget: € 2 million**
- **Allocated budget: € 1,949,997**
- **Coverage of the topic: yes**

<i>Received</i>	<i>passed</i>	<i>Short-listed (success rate)</i>	<i>reserve</i>
6	3 (60%)	1 (20%)	1

General remarks

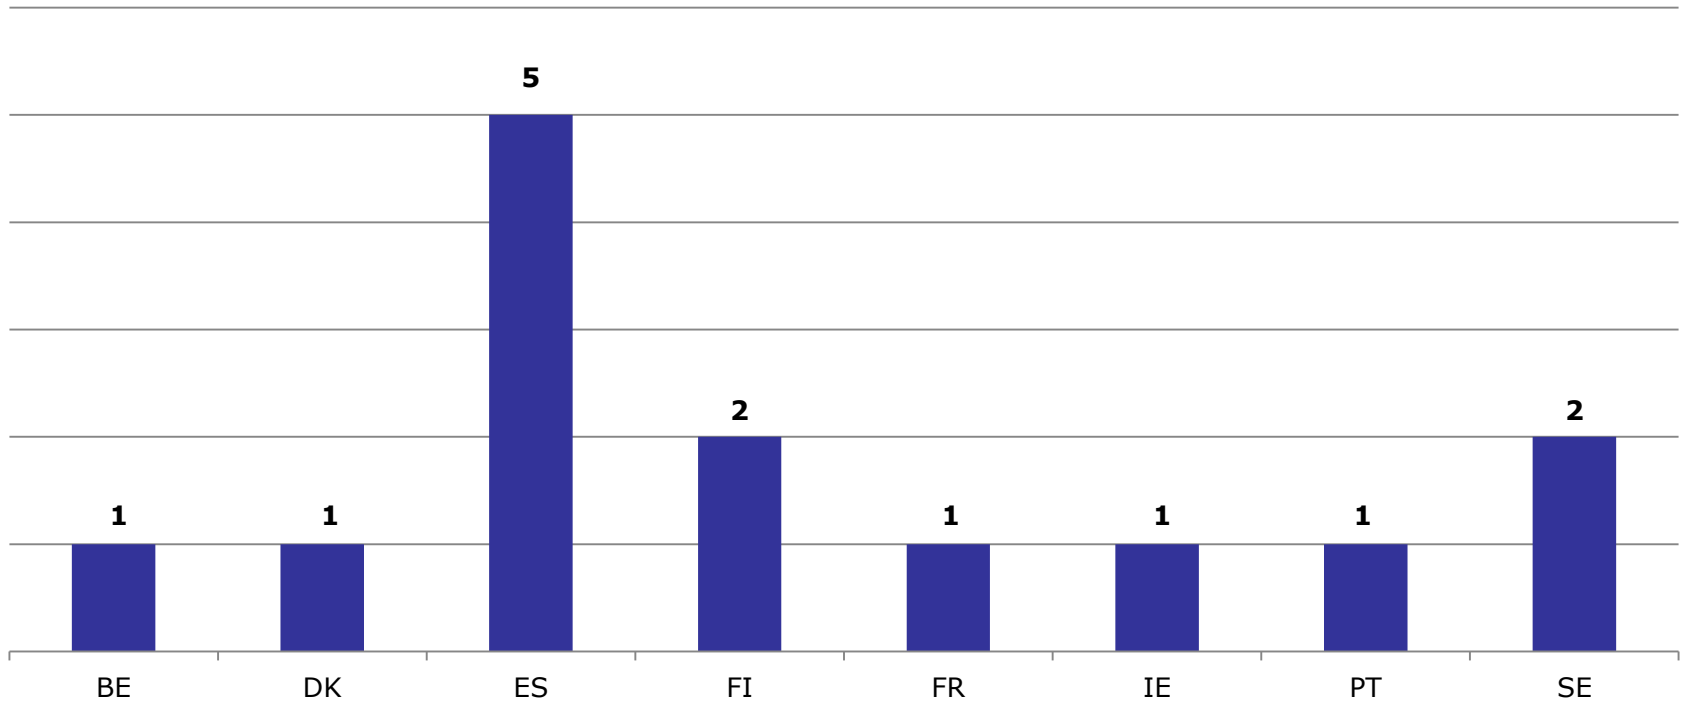

- **Good quality with three above threshold proposals.**
- **Three addressed the scope of the topic very well, two proposals covered the scope in a limited manner and one proposal was inadmissible.**
- **Budget share private sector overall: 78%**
- **SME budget share: 51%**

Remarks on short-list

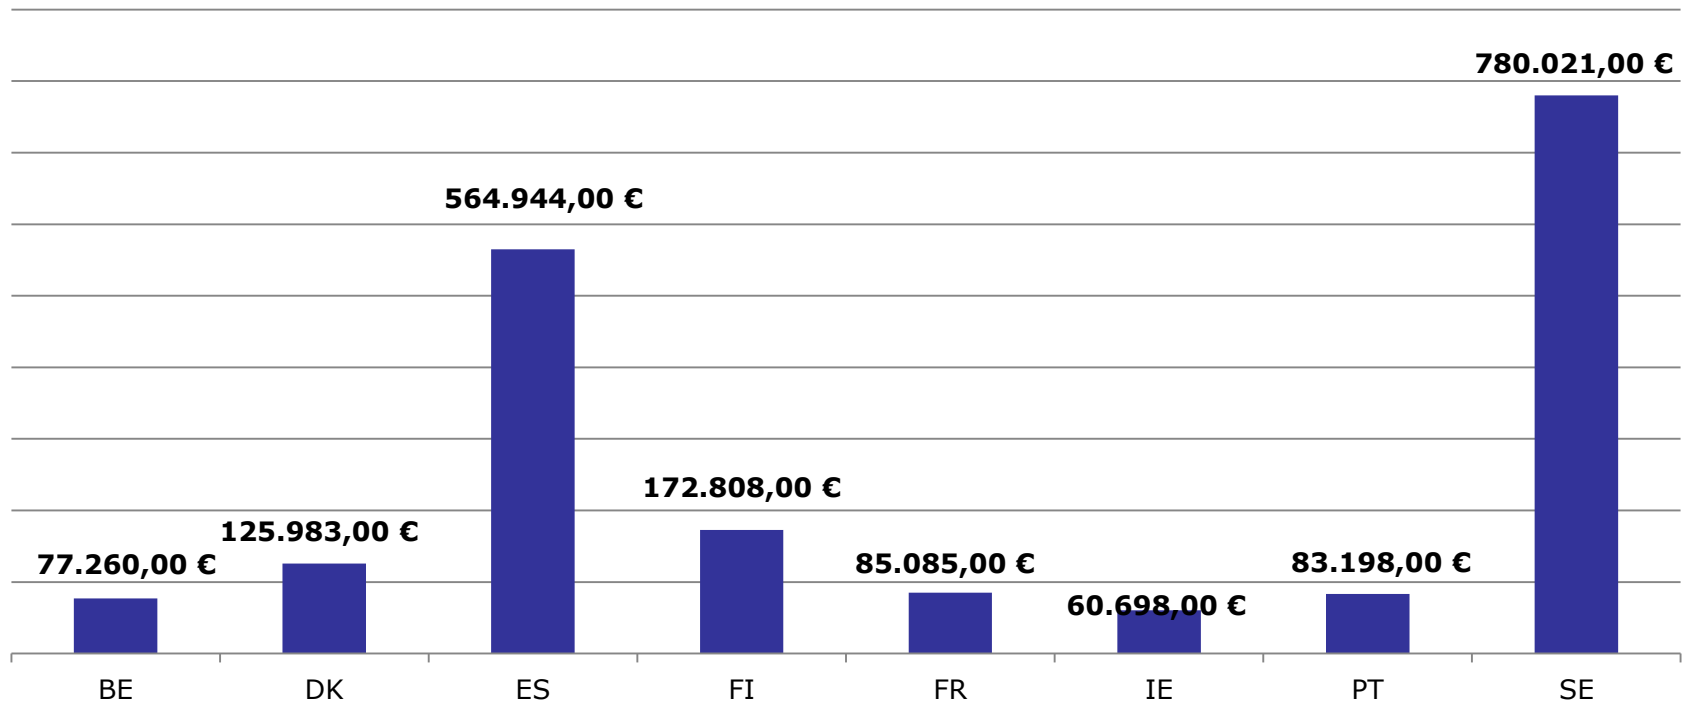

PROEIPAHA: The main list proposal covers the expected support to the European Innovation Partnership on Active and Healthy Ageing in all areas:

- Support the existing action groups in implementing their action plans.
- Support the development of new action plans coming from more priority action areas identified in the strategic implementation plan and support the newly formed action groups;
- Identify any new areas as future priority action areas, roadmap of research priorities;
- Work together with the European Commission, with relevant legislative and standardisation initiatives and with national, regional and local authorities for more favourable regulatory and standardisation conditions, innovative procurement and incentive mechanisms.

Retained proposal: Partners per country

Retained proposal: Requested grant per country
